

Help SMUUF every time you search or shop with GoodSearch and GoodShop Step-by-Step Instructions

We have created accounts on GoodSearch and GoodShop for the Fellowship so that every time you search the Web or buy online from a participating store we earn a little money. Individually, it wouldn't amount to much, but if we all participate it could add up to several hundred (or more) dollars per year. *It's free, it's easy, why not?*

I found it easiest to just make GoodSearch my default search engine so I don't even have to think about it. GoodSearch uses Yahoo! as its engine, so you get great results. You can always back out to Google or your favorite if GoodSearch doesn't find exactly what you're looking for, but I haven't needed to.

To set GoodSearch as your default search engine, just go to www.goodsearch.com and scroll down a little. First, you will want to designate SMUUF in the box "WHO DO YOU GOODSEARCH FOR?" Then, find the link to "Add GoodSearch to your IE, Firefox, or Mac toolbar"

Add GoodSearch to your IE, Firefox, or Mac toolbar

Make GoodSearch your homepage

When you click the little arrow to the right, you can choose to install the GoodSearch Toolbar (I didn't, because I don't like extra toolbars, but it's up to you), or simply add GoodSearch to your IE7 Search Box. That's what I did, but you have to be running Internet Explorer 7. If you aren't yet, you should do the Toolbar or just download IE7 and update yourself.

Internet Explorer - Add GoodSearch to your IE7 Search Box

1. Click [this link](#) to add GoodSearch to your list of search engines.
2. Check the box that says "Make this my default search provider."
3. Click "Add Provider"
4. Searches from the IE7 search box will count toward the charity you have selected on the GoodSearch homepage.

Add GoodSearch to IE 7.0

Now, every time you type something into your URL address bar on the left, or the search bar on the right, you automatically use GoodSearch and raise us a little money. To shop, just go to GoodSearch and click on the GoodShop "Shop Now" button, or go to www.goodshop.com. Bookmark it to make it easier in the future. There are tons of stores, and up to 30% of your purchase comes to SMUUF in cash. Is this a great country, or what?
