

Dear Friends,

We hope this welcoming community will encourage long lasting friendships and happy memories for you and your children.

We designed our new programs to excite you so much about being a UU that you'll have to share your excitement with your friends and family!

If you have any ideas on how to make our programming even more outstanding, please let us know. Our doors, ears and hearts are always open!

A Successful Year

Register for RE Programs

Teachers who receive registration forms ahead of time can better welcome you and meet your needs.

Read our R.E. Brochure

You'll find descriptions of our programs, guidelines to ensure the safety of our children and a Special Events Calendar designed to involve your family in our community.

Attend Regularly

Attendance is especially important during the first month or two as our teachers focus on group building and creating emotionally safe routines.

We Depend on Assistance

If your child is cared for in any religious education classroom or event, we would very much appreciate one of the parents (dads are welcome too!) to volunteer to assist in the program.
